## GREETINGS IN CHRIST JESUS

I am thankful for 2021 that is bringing change into our lives. God is still at work in all of our lives helping us every day. I love the promise that He will never leave us nor forsake us and that He is coming back for us. Hold on to the hope that you have in Christ Jesus. There is nothing like the peace of God in this troubled time.

Because of the restrictions of COVID-19, it seems like forever since we were able to get together at our last Christmas Banquet. I miss being able to fellowship and worship together. I sure did appreciate Bishop Joe Mirkovich and the State Council for the nice Christmas honorarium that we all received this year, but I still missed shaking hands, hugging necks, and sharing our stories. There is nothing like good Church of God fellowship. Amen

I am praying that Coved-19 will soon be over and we can all be together again. But until that happens, I am thankful for our State Leadership that is trying to keep us safe and encouraging us through this pandemic. I have heard this statement that "this too shall pass," so let us give praise to our God for His wonderful mercies that he has bestowed upon each of us.

Please know that our State Overseer, Bishop Joe Mirkovich and the State Office staff are praying for you. We are thankful for all the blessing that God has provided for you in these last days. He loves you and cares about our every need. If there is any way that we can be of assistance to you, please call and let us know.

Yours for The Master,

Bishop David Hagee
