## for HAITI

Church of God World Missions Project #

# 102-2040-028

It costs \$1,900.00 to ship a tractor-trailer load of relief goods donated by businesses, churches, and people across the USA to HOPE's warehouse.

Shipping a blended 40-ft container packed with 40,000 lbs of water, food, clothing, hygiene items, etc. by steamship to Haiti costs \$4,000.00.

For a total of \$5,900.00 you can sponsor 40,000 lbs of relief supplies valued more than \$100,000.00 for Haiti.

Please consider partnering with HOPE by contributing to cover the cost of trucking to the warehouse and shipping to Haiti. No amount is too small.
