2022 RETIRED MINISTERS & WIDOWS CHRISTMAS BANQUET

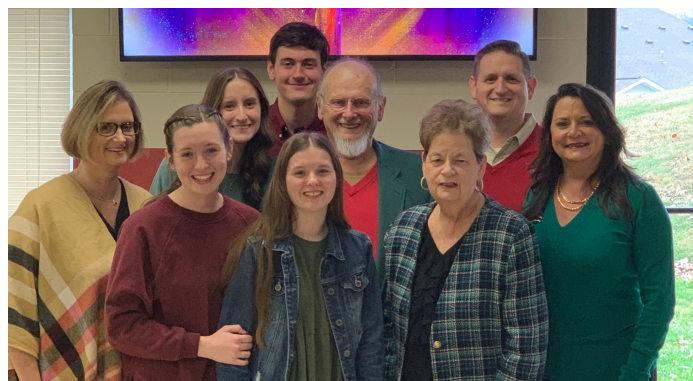

What a great day for our Retired Ministers and Widows Christmas Banquet. This was our best turn out since Covid-19. The cafeteria was full and it was great to see everyone enjoying being together again. So, hats off to our State Leadership Team and State Office Staff for treating us so special this year. Your love is felt year-round in all that you do for us and know that you are loved and prayed for by all the Retired Ministers and Widows in Virginia.

Hey! How about the office staff serving us at the tables this year. It sure was nice not having to stand in line to pick up our food. Billy Poff never let our coffee cup or glass of tea run dry. Not only was the meal great but thank you, state staff for

great service you provided for us this year. You are special to each of us and know that you are loved by the Retired Ministers and Widows across Virginia.

A special thanks to Rev. Harry Miller, Jr. and the family for bringing us a time to worship with an outstanding Christmas Musical program. The grandkids added a new touch and they did outstanding in singing and sharing their musical abilities. What a special family; makes me glad to be part of the Virginia Church of God family.

Our Administrative Bishop Toby and Diane Morgan loved on each of us in so many ways, what can I say! We felt your love; and thank you for all that you do to make us special in the Kingdom of God and in Virginia. This was the first time that many were able to meet them personally. What a great way to have fellowship and receive a powerful anointed Word. Thanks for sharing the Christmas Message that brings life and hope to everyone and makes us ready for His soon return. You brought us to our feet as we worshiped together.

Special THANK YOU to the Redeemed Church of God in Chesapeake, pastored by Charles Hughes, and to our First Lady Diane Morgan for their financial gifts. Also, thanks to all of those who helped in decorating to make our day so special. It was beautiful!

Virginia SpiritCare Committee

Let me introduce your SpiritCare committee for this assembly period. We are here to contact you, serve you, and help in anyway that we can.

We will be calling to see how you are doing and if there is any way that we can help you. At any time, you may call us or the State Office if there is a special need.

We look forward to serving you.
