Things to Consider

A Certificate of Insurance (COI) will be required to use the trailer. The COI is typically available from the church's insurance company without an added fee. The certificate must verify that the church has one million dollars of general liability coverage. Also, please ask the insurance company to list as additional insured Virginia Church of God State Office, PO Box 7547, Roanoke, VA 24019, for the dates you are renting the Outreach Trailer.

The renter must submit the certificate to the state office before picking up the trailer. E-mail: md@vacog.org or fax 540-563-4670.

- You will receive an instruction manual with the final confirmation email. This manual will contain all pertinent information required to use the contents and store everything in the trailer in its appropriate place.
- Our office will inventory and inspect the trailer after each use. Please let us know if items are missing or broken. If the items inside the trailer are in the appropriate order, we will issue a refund of \$100.00. The user will be responsible for any damage to the trailer or its contents outside of normal wear and tear.
- To tow the trailer, you will need to provide a vehicle with a 2" hitch ball and a standard light hookup.
